

Sat Morning French Immersion Prep For SK Students Only

“French Immersion Prep Program” is designed for students in SK who will be pursuing French Immersion studies in Gr.1. The focus of the program will be on teaching children the basics of the French language in order to be prepared for Gr.1 expectations. Activities include: communication circles, writing activities, basic phonetics and reading as well as songs and kinesthetic activities. Our goal is to develop oral proficiency, reading skills and a love for French!

The program includes the following 3 components:

« **Apprenons le Français** » - focuses on developing simple conversational abilities and comprehension of the French language.

« **Lisons en Français** » - focuses on developing reading fundamentals and phonics through the use of flash cards/vocabulary combined with listening activities.

« **Amusons-nous en Français** » fun in French are an opportunity for children to put into practice through games and activities what they have learned during the lesson!

Time: 9:15 am — 12:15 pm
